CHRISTMAS HOLIDAY
Friday 20th December - Monday 6th January 2019

JOLLY JARS

We will be selling our 'jolly jars' at our Christmas Bazaar this year so start getting creative!
If you have not made one before, they are really simple to do:
1. Find a clean jar or pot. 2. Decorate your jar any way you like. 3. Fill your jar with goodies! 4. Put your name on the jar, so we know who has made it! 5. Bring them in to school before Friday 6th December. Prizes will be awarded for the best Jolly Jars!

Jars will be sold for £1.00 on the 'Jolly Jars' stall at the bazaar.
We look forward to seeing your amazing creations!

POLLING DAY - THURSDAY 12th DECEMBER

School will be CLOSED as it is used as a general election polling station. School will re-open on Friday 13th December.

CHRISTMAS LUNCH

If your child has a packed lunch but you would like them to have a Christmas Lunch with their class, please make a payment of £2.30 on Parentpay by Monday 2nd December.

RELATIONSHIPS AND HEALTH EDUCATION 2020

From September 2020, all primary age children will be taught Relationships and Health Education. These subjects are designed to equip your child with knowledge to make informed decisions about their wellbeing, health and relationships as well as preparing them for a successful adult life. Today, parents will receive a copy of the PSHE/RHSE curriculum.

CHRIST CHURCH VALUES - PESERVERANCE

Endurance and perseverance are only possible where there is hope and that hope is based on the enduring nature of God's love and faithfulness. Even Jesus, for all his strength and ability to endure, looked to his disciples to help and sustain him by watching and praying with him (Matthew 26).

THIS WEEK'S LEARNING AT CHRIST CHURCH SW9

This week Year Three visited the Science Museum to learn about forces, Year Five went on a trip to the V&A and Year Two took a magical tip on the Polar Express! The class was transformed into the famous train as they sat in carriages to inspire their amazing writing. Year One have also been curious and creative; they have been developing their printing skills, exploring the outdoors and using IT to create fireworks. There has been some incredible maths and writing in early years and the children have been using mixed media to create their own animals. Reflecting on the value of wisdom, Year Four have been developing their designs for their wisdom trees.

THANK YOU to parents and carers for attending parent teacher meetings.
