Christ Church Got Talent

To celebrate Red Nose Day we are holding a talent show next Friday at 2pm. All parents are invited and are welcome to come and join the fun.

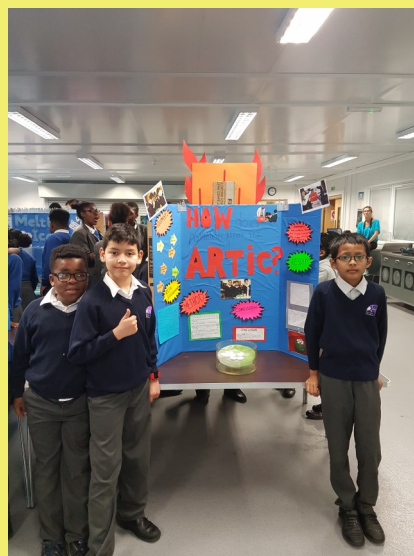

Please bring in a donation of £1 to raise funds for Red Nose charities.

***Children may come in their own
clothes next Friday
(no uniform required!)***

Science at St. Gabriel's College

Some of our children have been working with pupils at St. Gabriel's College for the last six weeks on a Science project. The project was completed yesterday when our pupils had to present their work in a science fair to local scientists in the community.

***What a great team.
Well done Christ Church!***

AIR-MAZING CYCLE / WALK / SCOOT TO SCHOOL WEEK!

20-24
March
2017

Help to
clean up
London's
air!

Traffic is the main source of air pollution in London. During this week we'll tackle this issue by cycling, walking and scooting to school. Take part and help us clean up the air we breathe!

sustrans
JOIN THE MOVEMENT

Take part in Air-mazing challenge week!

You may have read in the newspaper or online that our school is situated in an area where there is a high level of air pollution. Did you know that London breached its legal limits for toxic air for the entire year in the first five days of 2017?

That's why we are doing something about it! From the 20th - 24th March we are tackling air pollution by walking, cycling or scooting to school.

We are doing this as part of our air pollution project, to make the air cleaner around Christchurch school. There will be a prize for the best class!

Please join us!

Thank You

Many thanks to all parents who made it along to Parent Teacher meetings last week. If you didn't get chance to meet your child's class teacher, please speak to them directly to arrange a mutually convenient time to discuss your child's progress.

The chicks are here—in Reception Class!

All Welcome!

**MOTHER'S DAY BREAKFAST
THURSDAY 23rd March 2017 at
8.30am in the school hall**
