Year 5 Autumn 2 2017

## South Americas

### 3. DESIGN

Design your own cubist artwork using Torres Garcia as a model.

Choose one activity to complete each week and hand in to your class teacher on Wednesday morning. Aim to complete at least 6.

### 4. HISTORY

Research Christopher Columbus, the great explorer. You can present the information as a powerpoint, a poster, a brochure or a speech to the class. Look to include information about :

- 1) his early life as a child
- 2) The places he visited
- 3) How to found the "Americas"

### ENGLISH

**5. Task: Write a diary about a place you travelled to with your family or friends. You can photos or draw a picture from your journey,**

### 6. BRITISH VALUES

Write your own poem about the being a soldier in World War Two.

### 7.ART

Create a flag of a South American country of your choice. Use any materials you can to make the flag. This can include anything you can find at home to make the flag, including newspaper, cardboard tube, tissue paper.

### GEOGRAPHY

Create your own 3D the Amazon Rain forest using tissue paper and shoeboxes. Think about the animals found in the rain forest and the climate as well. Make sure to include the rivers and tall trees.

### 9.SCIENCE

Create your own experiment at home about changes of states. There are many experiments you could do. Eg. You can test the speed that different chocolates ( Mars Bars, Snickers, Yorkies) melt at and record the different time.

Make sure you write up the experiment And and record the results.
