

10. Design

Draw your own alien and write a character profile about them.

1. Craft

Make your own junk model spaceship . Can you label what each part does?

2. Research

Research facts about a chosen planet and present it in a poster.

3. Dance

Create and perform your own alien dance!

9. Diary

Imagine you are the first person to land on Mars. Write a diary entry about what you can see and what you do.

Year 1 Homework Spring 1 2018

4. Create

Make a mobile of the solar system that we can hang in the classroom!

8. Bake

Can you make space biscuits in the shape of rockets, stars, planets etc.?

Choose 1 activity to complete each week and hand in to your class teacher on a Wednesday morning. You should complete at least 5 activities, but you may do more if you wish!

5. Number bonds.

There are 20 aliens on planet Zargle. Some are blue and some are pink. How many could be of each colour?

Investigate and show using number sentences.

7. Research

Find out about Neil Armstrong's mission to the moon and write a fact file about it.

6. Design

Can you design your own planet? What would be on it? Draw and label a picture or make a model.

7. Make

Make some strange alien food! Can you write a recipe for it and explain what it is?

6. Write

Can you write a letter to an alien telling them all about your life on earth?
