Number Day 2022

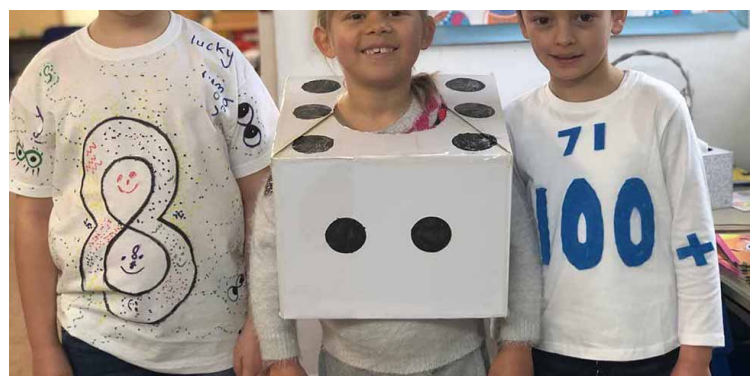

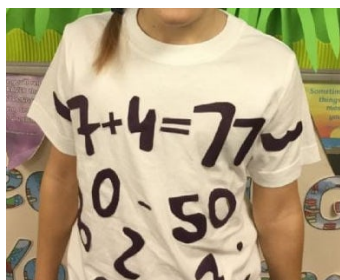

Friday 4th February

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude! On this day we will be having lots of maths and number fun at school. We will also be taking part in Dress up for Digits and pupils will be invited to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a calculator! Please see below for some more inspiration). To help raise money for the NSPCC, we are asking for a suggested donation of £1, and we'd love everyone in the school to take part in this special event.

SAFETY FIRST

Please take extra care when dropping off and collecting your children at the main playground gate. Please do not park directly in front of the gate or block the entrance/exit.

At present there are no zig-zag lines there and it often gets very busy.

GROW BACK GREENER

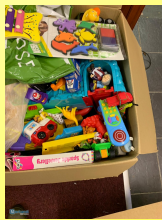

Coming soon.....we've got some exciting news to share about our forest school area.

Keep an eye out!

HELP FOR FAMILIES IN NEED

We have recently been contacted by a local charity who are offering used toys, books, electronic and household items for free (all in good condition) to families who may need some extra help.

If you, or anyone you know, might benefit from this offer please speak to Miss Tawiah. You can see her in the playground or enquire at the school office.

HANDS UP!

Thank you for supporting us with the hands up routine at the start of the day.

This is the routine, just in case you didn't know...as soon as the children see the hands up signal they must stand still and stop talking. We are using this strategy in class and in the playground too.

FOREST LUNCHTIME CLUB MONDAYS and WEDNESDAYS

Our forest school lunchtime club takes place on Monday and Wednesday every week. Please make sure your child has some wellies at school if they want to join in because it's quite muddy at the moment!

Homework

All classes will now be getting paper homework every Friday. Recently we have been using Google Classroom but there were less children completing their homework online. In addition, many parents have expressed a wish to return to the 'old fashioned' method of pencil and paper.

Please keep an eye out for the homework in your child's book bag and thanks for your co-operation!

Adventure Workshops for Toddlers and Dads

Tiny Titans is offering Saturday morning interactive workshops aimed at Dads (or uncles/grandads/brothers) and their toddlers (1-3 years) to have fun, bond and explore together!

Each 30 minute class is taught by a musically trained actor, The Adventurer, that will lead parents and toddlers around the Tiny Titans compass and through into imaginary lands. Each session will incorporate nature, music, story time, craft, a few tiny challenges and lots of fun!

Myatt's Field North Centre

24 Crawshay Road, Brixton, SW9 6FZ

Sessions are free and limited to 15 families.
