GROW BACK GREENER

In the coming weeks work will begin on our forest school area. We have been successful in securing some funding to make some exciting changes and to enhance the outdoor space with some redefined areas including a log cabin and an area for den building! As soon as we have a plan to share we will let you know what changes are being made.

You may have also noticed the green screen that went up this week around the fence in the playground. We are looking forward to seeing the plants grow over the Spring and Summer and shield us from the building work next door!

SCHOOL MEALS

Please make sure you give the office 2 weeks notice if your child wants to change from paid school meals to packed lunch or vice versa. This is because our cook orders the food in advance according to the numbers of children paying for a school meal, therefore we need to know this information ahead of time so that we have enough to feed everyone!
