We celebrated **Windrush Day** this week in a variety of ways. Our youngest children made boats, we located the Caribbean islands on the map, we made fried dumplings with callaloo and plantain and we wrote poetry!

Windrush, Windrush bobbing on the sea,
I'm on the Windrush just my mother and me,
No idea how this is going to go,
During the Summer, hope there's no snow
Running around on the sea splashed dock
Under an umbrella in a big wide flock,
Should we go home, well there's no changing this,
Hope it stops raining, I really wish!

by Mya and Bella, Y5 Cedar Class

When it all began in the beautiful sun,
I was taken on a boat with my family to run,
Never would I ever think that it would be like this,
Do they not understand I have a family that I miss?
Readily, I just want some love,
Up in the sky I see a dove,
Someone please stop this or I won't survive,
Hope it stops raining, I really wish!
