# BLACK HISTORY MONTH FAMILY LEARNING CHALLENGE

As we look forward to celebrating black history month this October, we hope that you will join in our family learning challenge. We are asking you to write a poem, design a poster, create a Powerpoint presentation or make a video about a person of black heritage who has inspired you. This can be anyone you like - a family member, an historical figure, someone famous or even a teacher!

The brief is very simple - just tell us why that person is AWESOME in your very own way and submit your work to your class teacher by Monday 10th October. There will be prizes for the best entries and we are hoping to display all of your marvellous work at the end of the project.

***We need you!***

***Would you be able to contribute to our Black History Month celebrations this year?***

We are looking for parents who would be willing to spare some of their time to visit a classroom to tell a story, share some family history, play a game, read a poem or even perform a musical talent.

If you are interested and can spare some time please speak to your child's class teacher to arrange a mutually convenient time to come in.

## **HARVEST FESTIVAL CELEBRATIONS**

**A note from Mrs Alfred....**

**As part of our Harvest Service this year we will be celebrating the diversity of our school community. We would like to invite everyone who speaks a language other than English to bring in to school a thank you prayer in their own language.**

**Examples of thank yous:**

**Thank you God for homes / clothes / families / giving us everything we need.**

**Please could you also write down separately how to say 'welcome' in your language. Please send this into school with your child by Friday 23rd September so that we can practise with them in school. Thank you, Mrs Alfred**

## Parent Teacher Association, Annual General Meeting
