BLACK HISTORY MONTH FAMILY LEARNING CHALLENGE

As we look forward to celebrating black history month this October, we hope that you will join in our family learning challenge. We are asking you to write a poem, design a poster, create a Powerpoint presentation or make a video about a person of black heritage who has inspired you. This can be anyone you like - a family member, an historical figure, someone famous or even a teacher!

The brief is very simple - just tell us why that person is AWESOME in your very own way and submit your work to your class teacher by Monday 10th October. There will be prizes for the best entries and we are hoping to display all of your marvellous work at the end of the project.
