Greener Christ Church Council

Our eco-council was set up to raise awareness and help save the planet for our future.

The eco-council have worked hard this year by putting up anti-littering posters, creating bird feeders for the school (and keeping them stocked up!), and ensuring every class has an energy monitor.

They want to make sure their hard work continues in the future by getting our school an official Eco-School Green Flag but it costs £200! Therefore, we are hoping you may help us out by sparing a pound or two to cover the costs of the application.

Please scan the QR code to donate or check out our JUST GIVING PAGE.

CCSW9's
JustGiving page

Our Eco-Council have written an eco-code for Christ Church.

Get your litter and put it in the bin,
Reduce and recycle for the win.
Energy monitors are to turn off the light,
Energy monitors make things right.
Nature is important to flip your mood,
Every bird has love and food.
Remember this motto:

Christ Church, let's go cleaner!
Christ Church, let's go greener!
