Our amazing football team had their final match of the season this week. They have played consistently well and we are so proud of them. Many thanks to Mr T who has encouraged and motivated the girls to become the fabulous team that they are. Special thanks also to Evie's Mum for her support every week.

HOLIDAYS DURING TERM TIME

As we approach the summer months, we know that many families are thinking about travel and special events. We completely understand that sometimes it's important to be with family or attend things that matter — but we do want to remind everyone that we're unable to authorise holidays taken during term time.

All parents are able to request time off, but the Headteacher can only approve it in very limited, exceptional circumstances — for example, if your child is performing and has a license from the local authority.

Unfortunately, reasons like cheaper travel prices or extended family holidays don't count as extenuating circumstances and any holidays taken during term time have to be recorded as an unauthorised absence. If you think you may need to request some time out of school please come and have a chat with a member of our leadership team who will be able to answer your questions and offer some guidance.
