Free Play and Loose Parts Workshop Saturday 7th June 10.00-12.00

Join Studio TIP at Blue Shop Gallery for a hands-on **creative workshop for all ages** to play, invent and assemble, using natural and recycled offcuts from Sedilia's hand-made furniture practice. Participants will discover the hidden life of everyday materials, how they feel, connect and become something new.

Guided by a **Material Library**, discover the stories, textures, and qualities of these secondary raw materials. Then, dive into intuitive making: assemble your own mini sculptures or abstract creations using only string and wire—no glue, just imagination. Celebrate reuse, creativity and exploration in this tactile environment.

No experience needed. Just curiosity.

Maximum of 2 adults per child.
