**Our value this term is PERSEVERANCE**

Perseverance means not giving up, even when something feels difficult. At school, we all face challenges. We may become frustrated when we don't succeed, but these are the moments where growth happens.

When things get tough, it's important to remember that effort matters more than being perfect. Every time we try again, ask for help, or keep going, we are building confidence and resilience. Challenges teach us patience and belief in ourselves.

Perseverance doesn't mean doing everything alone. It means supporting one another and celebrating progress. By trying our best and not giving up, we learn that we are capable of more than we think.

We know Christmas is over but we couldn't resist sharing our official 'Santa's Helicopter Ride' video. Just in case you haven't seen it. We had such a wonderful Christmas here at Christ Church that we decided to capture it in a special way—with our very own official video and song! It celebrates the joy, energy, and community we shared together, and we hope it brings a smile to your face. We hope you enjoy watching it as much as we enjoyed making it.
