It's been a fabulous last week of term at Christ Church...

Our children were absolutely fantastic in church yesterday—raising the roof with their wonderful singing and energy!

A huge thank you, as always, to Mrs Alfred for her incredible work and for being the best music teacher ever.

We definitely have some future rock stars at Christ Church!

Our talented musicians wowed us in the RockSteady concerts yesterday—an absolutely fantastic performance all round.

Well done to our Year 5 team for representing Christ Church at the Science Fair and achieving an excellent third place!

They confidently presented their investigation into how fan size affects vehicle speed, explaining their hypothesis, variables, testing and conclusions.

A big thank you to Mrs Al Jaaf for organising and supporting the team.

A Note of Welcome & Invitation to Holy Week

Dear Christ Church community,

Warm greetings to you all!

As I have been here barely a week in my new role as Assistant Priest at CCBR, I am still finding my way around—but the kindness and warmth I've received from this community have already made me feel right at home.

Before we head into the upcoming break, I want to share a sincere thank you to the school staff for their hard work, and to the families for such a gracious welcome. It is a joy to begin my ministry here during such a significant time of year.

We are quickly approaching Holy Week, the most sacred journey in our Church calendar. I would like to personally invite you to join us for our upcoming programs. Whether you are a long-time parishioner or a first-time visitor, please know that there is a place for you here.

From the solemnity of Good Friday to the celebration of Easter Sunday, we would love to see your faces in the pews as we celebrate the hope and renewal of the season together.

I look forward to meeting many more of you in the coming days!

With peace and blessings,
Fr. Chidiebere Mbanude
Assistant Priest, CCBR
