HOLIDAYS DURING TERM TIME

As we approach the summer months, we know that many families are thinking about travel and special events. We completely understand that sometimes it's important to be with family or attend things that matter - but we do want to remind everyone that we're unable to authorise holidays taken during term time.

All parents are able to request time off, but the Headteacher can only approve requests in very limited, exceptional circumstances - for example, if your child is performing and has a license from the local authority.

Unfortunately, reasons like cheaper travel prices, educational visits or extended family holidays don't count as extenuating circumstances and any holidays taken during term time have to be recorded as an unauthorised absence. If you think you may need to request some time out of school please come and have a chat with a member of our leadership team who will be able to answer your questions and offer some guidance. THANK YOU
